RE: Violations of RSA 485-A:17 and RSA 482-A.

Dear Mr. & Mrs. Mac Pherson:

On August 31, 2004, personnel from the Department of Environmental Services ("DES") conducted an inspection of the above referenced property, more specifically referenced on Town of Sutton Tax Map 7 as Lot 634, 316 (the "Property"). The purpose of the inspection was to determine compliance with RSA 485-A:17 and RSA 482-A and applicable rules adopted under that statute, and specifically whether the deficiencies noted in the Letter of Deficiency (the "LOD") issued to you on April 6, 2004, have been addressed.

As a result of the inspection, it was determined that the deficiencies described in the LOD have been corrected. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Please be advised that further work in areas within the jurisdiction of the Department requires an approved permit prior to carrying out such work.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact me at (603) 271-3380.

Sincerely,
